Questions & Answers and Information You Should Know...

Can I get help completing my application?

Yes. Please contact the Financial Counseling Office at 371-4398 or 371-4209 with questions, or email us at customerservice@cvmc.org. If you would like to speak to a representative in person our Financial Service Office is located at the Main Campus, Hospital, Level B, 130 Fisher Road, Barre, VT 05602. The staff at the Financial Assistance Program are also available to meet with you to complete the application. Please call them at 802-371-4398 to make an appointment.

If a question or section does not pertain to me, can it be left blank?

No. We cannot assume an unanswered question or section means it does not apply to you. One of the requirements when applying for financial assistance with Central Vermont Medical Center is a complete application. If a section or question does not apply, write "N/A" for not applicable.

I don't have all the documentation requested but the application is due back. Can I send what I have?

No. You must return a complete application with all the appropriate documentation or the application will be rejected unless supporting documentation is returned. Extension will only be made on a case by case basis for extenuating circumstances and must be requested by contacting the Financial Counseling office or the Patient Financial Assistance Program Specialist.

What is a tax assessment?

This is the tax bill you get yearly from your town clerk or City Hall office. It will say "Tax Bill" or "Property Tax Bill" at the top of the page. It gives the current house site value, house site municipal tax and house site education tax values.

Where do I get the "book" value or loan value for my recreational vehicle?

If you have access to a computer and the Internet, you may go online to look up the year, make and model for an estimate at www.nadaguides.com. If you do not have access to a computer contact a local dealer. Please provide written documentation.

Why was the verification I sent for my bank account(s) not accepted?

We require a copy of the original bank statement(s). If this is not available we will only accept a substitute statement which has the following: bank name, client name, type of account, current date, and current balance. Each of these items must be printed on bank letterhead and not hand written.

What is a benefit award letter?

If you are receiving social security or disability benefits, this is the yearly letter that social security sends notifying you of your monthly eligible benefits. For verification purposes we will accept a copy of the benefit award letter, a copy of your social security (disability) check or if you have direct deposit we will accept your bank statement showing your social security deposit as verification. Whichever verification is used, the monthly eligibility benefits should match the amount given on the application.

Questions & Answers and Information You Should Know..., continued

I sent my W2's then I received my application back asking for my Federal Tax Return. Why?

There is a difference between your W-2's and your Federal Tax Return. A W-2 is simply a statement of your earnings. Your Federal Tax Return is a complete recording of your total income. We require a copy of your Federal Tax Return. W-2's cannot be used as a substitute. We also do not accept summaries from your eFile of Federal Tax Returns. If you do not have a copy of your Federal Tax Return contact the Internal Revenue Service (IRS) at 1-800-908-9946 and request a tax return transcript at no cost or visit www.irs.gov/Individuals/Get-transcript

What year of my Federal Tax Return do I send?

Provide the most current year - after April 15th.

My employer does not provide pay stubs, what should I do?

If pay stubs are not provided by your employer, an affidavit on letterhead from the company you work for will be accepted. The affidavit must show gross pay, deductions, and net pay for one month. Please note, if you are married or have a civil union partner, his / her verification is also required.

I do not complete a quarterly profit and loss for my business. Can I just send my current Federal Tax Return?

If you are a self-employed sole proprietor, Partnership, or Corporation, you will need to provide us with the most current Federal Tax Return and the current year quarterly profit and loss statement. Even though your business may not complete a profit and loss, it is a requirement when you apply for the Patient Financial Assistance Program. If you are filing as a Partnership or Corporation we will need these Federal Tax Returns, your personal Federal Tax Returns, along with the Partnership and/or Corporation Year-to-Date, Quarterly Profit and Loss.

What is the coverage period for Patient Financial Assistance?

Financial Assistance is valid for up to six months and may include coverage to current balances unless otherwise noted. Your coverage period will be indicated on your grant letter. If your income indicates you may be eligible for Medicaid or another insurance program funded by the State, you will only be granted financial assistance for current charges until a Medicaid application is made and a notice of decision letter is received by the Patient Financial Assistance Program Specialist. If you are over the age of 65 and are on a fixed income, you may be granted coverage up to one year.

How often do I need to re-apply for financial assistance?

The Patient Financial Assistance Program at Central Vermont Medical Center is not an insurance company or a program such as Medicaid. We are here to assist patients who face financial hardship and are unable to pay their bills. Financial Assistance should only be applied for if you have outstanding Central Vermont Medical Center medical bills you cannot pay, expectation that an account currently pending insurance will leave a balance, or expectation that a future scheduled service will leave you a balance.
